

# How do I get started with an Adult Sunday Class?

We recommend you check out several Adult Classes over the coming Sundays! Our class leaders are expecting your visit. They understand that you are “shopping” for a good fit in a Sunday morning class. Each class is ready to share its unique mix of Bible study, connecting, and ministry when you stop by for a visit next Sunday morning.

This quick start guide will help you determine which classes to try first, based on your personal preferences. We recommend you try several.

### All Adult Sunday Classes offer:

- time spent in God’s word
- connecting with other adults
- interactive groups and lively discussions
- a place to serve
- a place to grow in Christ

Not only are our classes educational, they a place where people care for one another’s needs, reach out to one another and serve together outside of class. They pray for one another and share how God is working in their lives.
